September-October 2014

## Message From the President

Since our last TTC Newsletter we have had several events worth noting, but the most important probably is the September 1<sup>st</sup> renewal of memberships. Thanks to the outstanding work from Huw Christopher (and wife) all the applications were processed in a timely and accurate manner. This means our e-mail contacts list is updated and current, checks deposited, and all members received a copy of our TTC roster. As of October 1<sup>st</sup> we have 67 members, some of which are also part of our Tustin Acers group. So how does this compare to what we budgeted this year? Well we are one member short. So get out the word about this great tennis club and have your friends join.

I'm sorry to report that Amanda Fults has not renewed her TTC membership. She has moved and consequently the wonderful job she has done over the years publishing the TTC Newsletter will now require someone new. Until we find a replacement for her I'll do my best to keep it going. No guarantees.

Also Huw Christopher informed the Board that he and his wife are moving, and won't be able to fulfill the duties as the Membership Chairman after approximately December. Fortunately Allan Galero has stepped up to take over the duties of Membership Chairman when Huw leaves.

In other news we had the Casa Via Mar Get-Away in Oxnard on Sept 12<sup>th</sup>-14<sup>th</sup>. Unfortunately we had a very poor turnout having only 5 TTC members show up. Too bad you missed out. This is a wonderful location.

## Message From The President Continued

In September the Tustin Acers team was formed to compete in the Sundowners league. Their first match was on Monday night September 29<sup>th</sup>. Here is a picture of the new team. They are as formidable competitors as they have been in the past. Good luck.

Whatever happened to our Friday nights Fall Team Tennis tournament? It was supposed to start on September 19<sup>th</sup> and go to Nov 21<sup>st</sup>. Greer Fan our Tournament Director sent out several notices with only four responses. At least 12 people need to participate in order to make this tournament work. Tell the Board what will draw you out to participate in the future.

That's it for now,  
Tony Toth

## Tennis Tid-Bits

This tip will help all level of players, and can be practiced each and every day. As soon as you see the oncoming ball coming to you, take the racquet back right then and there! This is essential for every shot you will hit in every match.
